

EZY SEE BALING TWINE

Ezy-See Blue and Pink Small Square baling twine is a premium, high quality small square baling twine that has been synonymous with small square baling in Australia for many years. Another of the SilaFARM's signature twines, Ezy-See Twine is utilised for both general purpose and tougher jobs in small square baling. Ezy-See Twine encompasses both strength and a long running length per spool, which makes it the best choice for the Small Square Bale market. Designed for the tough baling environment of Australia, Ezy-See Twine is designed for use in all old and modern conventional Small Square balers. Baling medium density small square bales, Ezy-See Twine is specified for both the Contractor and Farmer/End-user for use in crops types such as; Pasture, Cereal, Straw & Silage.

FEATURES AND BENEFITS

- Incandescent blue fibre – Highly visible
- Dual capability for use in Small Square & Round balers
- 2000m Length spools - Maximise baler machine runnage
